

# Step count sweepstake

How many steps will it take \_\_\_\_\_  
to complete The Banham Marsden March?

Please make a suggested donation of £\_\_\_ to have a guess and support  
The Royal Marsden Cancer Charity.

The winner is whoever guesses the closest number of steps!

Terms and Conditions: You (the sweepstake organiser) are responsible for the sweepstake and ensuring it runs properly. The Royal Marsden Cancer Charity does not accept responsibility for the sweepstake. The organiser and the entrants must be 18 or over. All monies raised will be donated to The Royal Marsden Cancer Charity.

Registered Charity No. 1095197

# *Tips for the organiser*

## 1. Prepare your sweepstake

Fill in the details on the reverse of this poster and source a top prize. A local company might be able to support you with this!

## 2. Get the guesses in

Ask your friends, family and colleagues to write down their name and guess the number of steps you'll take in return for a suggested donation.

## 3. Count your steps

Make sure to carry a pedometer on the day of The Banham Marsden March to count your steps – most mobile phones have one. Take a look at how many steps it takes you to reach the finish line!

## 4. You have a winner!

The lucky winner is the person who was closest to the number of steps you took on the day. If the winning number of steps is exactly between two guesses, the prize should be given to the guess with the lowest number of the two. Announce the winner and present their prize.

## 5. Pay in your donations

Pay in your donations on to your own JustGiving page, or visit [royalmarsden.org/march](http://royalmarsden.org/march) to find out other ways to send the money to us. All donations for The Banham Marsden March 2021 will go towards making the Oak Cancer Centre a reality for the benefit of all cancer patients. You can read more about the Oak Cancer Centre at [royalmarsden.org/appeal](http://royalmarsden.org/appeal)

## Thank you!
